**Our Mission:** To bring glory to God by assisting local churches to equip believers of various cultures and languages to live and minister biblically based on the inerrant Word of God. This equipping includes building biblical knowledge, Christian character, and ministry skills.

**Our Vision:** To equip church planters, pastors, and church leaders for effective servant ministry by making Bible college and seminary level courses available to local churches by providing EBI Church Planting and Leadership Training Centers to local churches and associations—each Training Center is self-supporting.

Over 700 church planters, pastors, leaders, teachers, and Bible students have attended EBI Leadership Training Centers.

Student-leaders are trained in transformational leadership, church planting, the disciple-making process, relationship building, Bible interpretation, Sunday School teaching, expository preaching, church growth, servant leadership, small group coaching, team leadership, conflict resolution, church administration, prayer ministry, biblical marriage, worship, fellowship, discipleship, community ministry, evangelism, and missions.

Student-leaders learn how to start churches, develop leaders, equip members, organize small groups, maximize ministry, impact communities, and transform lives through local-church computer-enhanced student-centered learning. Courses are offered in English and Spanish—and 60 undergraduate semester units are transferable to the Southern California Seminary Bachelor of Arts in Biblical Studies program.

**EBI degree tracks:**

- Diploma of Biblical Studies in Leadership
- Associate of Biblical Studies in Leadership
- Bachelor of Biblical Studies in Leadership
