

Getting Started

1. In what way is your relationship with God being enriched as you learn about stewardship? How is it being challenged?

Digging Deeper

1. Read John 10:10. Would you say that the life you are living is full, abundant, and ever-increasing? If not, what is missing?
2. What are some things or experiences that feel important, but are distracting from a deeper commitment to stewardship?
3. Read 1 Timothy 6:7. What does this passage say about God's teaching about our focus and priority of life? In your own words, what do you think God's plan of abundance is for you?
4. Read 1 Corinthians 16:1-2. In what way does the discipline of "laying something aside" feel risky?
5. "Storing up as he may prosper..." Read James 1:17. If every good gift is from God, and if God prospers us, would the discipline of giving also allow us to give more than just a tithe over time? What might that look like in your life?

Bringing it Home

1. What might you be afraid to give up in order to embrace a deeper faith in God and His care for your life?
2. In what area do you want your life to go on as usual—without making a significant change—even though you know a change is needed?
