Have a great Summer!!

In this 10-session study of Exodus 19–40, journey through the story of how God shepherds His newly-liberated children into an understanding of what their freedom means: lives consecrated for service to God and to one another. Revisit familiar scenes of the giving of the Ten Commandments, the idolatrous worship of a golden calf, and of the intricate details of the tabernacle. And with fresh perspective, ask what these stories teach God's children today about how to live as those set free.

In every page of the Bible, learn to see Christ through the stories of His people. And discover how the God who created you and made a covenant with you will deliver you from death to life, for His name and renown.
